“Davidson’s Frostop” began operating in 1972 and quickly became the community’s favorite drive-up rootbeer and hamburger stand. In just nine years, popularity and success made it necessary to expand and remodel. With the opening of our larger facility the business was christened with a new name, “Davidson’s Casual Dining.”

Adjustments to our customers’ preferences has continued through the years. Still, we hold to the traditions that our customers enjoy. We have included *more* delicious scratch preparations. We feature top quality and fair values. As with our first day of business, we *still* make our rootbeer and we offer the best milkshakes you will find anywhere! Our staff includes the brightest, most responsible of the community. We take pride in employing local students and assisting each in their first jobs at this family restaurant.

We recognize that our employees are our greatest asset!

We are grateful to be part of this growing community, to contribute to that growth, and we are especially honored to serve our fine customers!

Thanks again for making Davidson’s Casual Dining Tigard’s Favorite Restaurant!
